Martin Reynolds
Business Lead, North America
XMLdation Oy
Peltokatu 26
Tampere, Finland 33100

Dear Martin:

Thank you for your interest in promoting XMLdation Oy's training courses as eligible for Accredited ACH Professional (AAP) continuing education credit. For your records, please find enclosed the following information:

- A copy of the license permitting XMLdation Oy to use the AAP logo for the following course:

Streamlining Success: Strategies for Automated ACH Client Onboarding

- A copy of the AAP logo;
- A form to provide to your course attendees to document their attendance and the number of credits earned from these courses.

Please note that written documentation of attendance at an AAP renewal credit activity must be provided to AAPs by sponsoring organizations as AAPs are required to maintain and submit, upon request, documentation on continuing education credit earned.

If you have any questions or need additional information, please do not hesitate to contact me at 703/561-3946.

Regards,

Tryann Delaney
Director, Education & Accreditation
